The Anarchical Society A Study

The Anarchical Society identifies and confronts the unwritten rules supporting the international order across history, despite sweeping changes in laws and institutions. It considers and rejects the idea that the states system is giving way to an alternative world government or some method of neo-medieval rule or that the states system has ceased to be viable or compatible with objectives such as peace, economic justice, and ecological control.

The anarchical society (1977 edition) | Open Library

“International society” is a term of art introduced into the study of international relations largely by a group of scholars working in the United Kingdom in the 1950s and 1960s, often referred to as the “English School” of international relations—and was in part clearly an attempt to distinguish their emphasis from the emphasis on the international system very prevalent in international-relations scholarship in the United States at that time.

Originally published in 1977, it continues to define and shape the discipline of international relations. This edition has been updated with a new, interpretive foreword by Andrew Hurrell.

Bull - The Anarchical Society | Copyright | Intellectual ...

The order is what fundamentally distinguishes Bull's anarchical society from the anarchical system of states, adhered to in the realist camp. The distinction between a " system " and a " society " is a crucial one. " System ", as Stanley Hoffman argues, " means contact between states and the impact of one state on another ".

Hedley Bull, The control of the arms race: disarmament and arms control in the nuclear age (2nd edn, New York: Praeger, 1965). 4.

Notes The Anarchical Society Garret Wilson

If a Hobbesian description of the international state of nature is abandoned for a Lockean one, then the case for a fundamental change is simply that which Locke presents for a contract of govern-ment: that to crown the anarchical society with a government would be to render it more efficient. However, such a case might still be a quite ...
