[Why we created a new curriculum for science journalism](#)

Gonzo journalism is a style of journalism that is written without claims of objectivity, often including the reporter as part of the story via a first-person narrative. The word "gonzo" is believed to have been first used in 1970 to describe an article by Hunter S. Thompson, who later popularized the style. It is an energetic first-person participatory writing style in which the author is a ...
